**CERTIFIED FOR TAX CREDIT**

- In all states except Florida, certification requires the EcoTrack Energy Saving System to be mounted over double pane glass.
- In Florida, the EcoTrack Energy Saving System may be mounted over single pane glass or double pane glass to be certified.
- Only the fabric and hardware options listed above are certified for the tax credit.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
